A British doctor says: "In Britain, medicine is so advanced that we cut off a man's liver, put it in another man, and in 6 weeks, he is looking for a job."

The German doctor says: "That's nothing, in Germany we took part of a brain, put it in another man, and in 4 weeks he is looking for a job."

 Forgotten Ireland

The Irish doctor laughs: "You are all behind us. A few years ago, we took a man with no brain, no heart, and no liver and made him Taoiseach now the whole country is looking for a job!"

and found a couple of feet of snow.

fries...

We're
