Due to the rising costs of
medical tests, all you can
do is pee under a tree and
wait a bit:

If ants gather = diabetes.

If grass dries up = high
salts

If it smells like BBQ = high
cholesterol.

If you forget to pull up
your pants = Alzheimer's.

😊 Two old friends arrive at St. Peter's gate and are shocked to bump into each other...

MABEL: Doris?! No way!

DORIS: Mabel?! What on Earth—well, not Earth anymore—but how'd you get here?

MABEL: Froze to death. 🧊

DORIS: Oh, bless your heart! That must've been horrible.

MABEL: Actually, once the shaking stopped, it felt like a heated blanket and a nap. Could've been worse. What about you?

DORIS: Heart attack. 💔 Thought my husband was cheating. So I came flying home, ready to bust him. Turns out, he was just in the den watching Wheel of Fortune.

MABEL: Then what?

DORIS: I didn't believe it, so I tore the house apart—attic, basement, closets, under the beds—no mystery woman.

I got so worked up, I keeled over. Bam. Done.

MABEL: If only you'd checked the freezer first... we'd both still be alive. ❄️ 😂
