A man brings his best buddy home for dinner...unannounced at 7:30 pm after work.

His wife begins screaming at him and his friend just sits and listens.

Wife: "My hair and makeup are not done, the house is a mess, the dishes are not done, I'm still in my pajamas and I can't be bothered with cooking tonight! Why the hell did you bring him home?!?"

Husband: "Because he's thinking of getting married and I promised him a demo!"
