The President of Bournemouth Probus 2. Mr Terry Britain

Terry paid a tribute to Tony Garland who was a member of Christchurch and Bournemouth Probus. Tony was a fanatical supporter of Welsh Ruby and Terry gave us some amusing jokes on this subject.

Robin Haggett our President gave us a poem of 12 days of Christmas turkey.

Our speaker was Mrs Pauline Rowson a writer of 18 crime/thriller books who gave us a very interesting talk on her books and describing the process of how she writes them. This was followed by a book signing session.
