

REGENT CENTRE TOUR, 18 August 2015

Twenty-two members and partners visited the Centre and were given a tour, led by Felicity Crabb, the Deputy Manager (yellow jacket in picture below).

Felicity, who was very knowledgeable and enthusiastic, took us behind the scenes, around a maze of rooms, passages and stairs, and told us some interesting anecdotes about the Centre, which was rebuilt from the earlier shops in 1931.

Altogether, a very interesting and worthwhile visit.
